Course leaders comments

I know that some students have felt that there is a lack of information. It is difficult to spread information to everyone since the students starts at different times during the semester. There were instructions put on the course homepage, but unfortunately they were not put there in the beginning of the semester. For the spring term 2019 more information was on the homepage already from the beginning of the semester. From autumn 2019 I will start having an information meeting in the beginning of each semester. Even though all students might not be able to attend (since some have not started their project yet and is taking a course) it will hopefully help more students to feel that they got better information. I also think that the situation will improve over time when more supervisors and examiners get used to the new course syllabus.
