Course leaders comments

This was an exceptionally small course in terms of number of students - but the learning was wonderful! The seminars in the course and the final seminar would make any course leader happy! It was a constructive dialogue showing critical thinking capacity and awareness of how to be of support for one another. The library contributions are ALWAYS much appreciated by both students and teachers! 1000 TACK to everybody that has taken a role - students, SLU staff and providers of commissions and data.
