12. Other comments

13. If relevant, what is your overall experience of participating in all or part of your course online?

14. If relevant, please share what worked well when participating in teaching on distance

15. If relevant, please share what worked less well when participating in teaching on distance

Course leaders comments

Since only two students answered the evaluation it is difficult to draw conclusions but the two that answered seemed content with the course. One student wrote a comment that more contact with the course leader would have been good to get better information. I have recently tried to improve the information by for example starting a canvas page for master theses and having an information meeting in zoom. I will continue to try to improve the information.
