## Course leaders comments

---

The course has been redeveloped during the last 2 years, partly in collaboration with the team of the new Foodscape Programme. According to the students course evaluation it seems appreciated, which is really rewarding.

For next year an even bigger emphasis on Canvas will be prioritised.

The course would need an amanuensis to design the layout of the indformation on Canvas.

The course would benefit from having a teacher team at LAPF. As it is now only the course leader knows the scope of the course, which leaves a vulnerable situation.
