Course leaders comments

Based on the course evaluation and experience from this year's course, we will take into account for 2024:

- * Strengthening the community garden aspect in the course.
- * Develop the lectures further, for example by including new lecturers and broaden the themes even more.
- * Make Assignment 2 graded.
- * Not continue with the Assignment which included group work with Italian students, since this was not well received by this year's UASi students.
