4: 1

5: 1

No opinion: 0

10. I received constructive feedback on my review of another student's project

11. My ability to work independently has developed after carrying out my independent project

12. Other comments

Course leaders comments

Only two students answered the evaluation so it is difficult to draw conclusions. But they seem mostly happy with the course. one student had a comment about the physical learning environment in the open office space. The open office space is not ideal, but it is not possible to have place in an office for all master students.
